## FEATURES OF FULLDIVE

Works with all iOS and android phones

Smart controller to play, control, create

Lightweight and adjustable to fit any headsize and glasses

3D holograms blended with the real world

Total 360° view

### OPTIMIZE EVERY ANGLE OF YOUR EXPERIENCE

#### HEADSET

Designed for your comfort, the FullDive headgear fits with any smartphone, adjusts to any head size and with interchangeable lenses, works with any glasses.

FullDive allows you to control your content instinctively with two side buttons and a controller.

### PHOTO

### CROPPED PHOTO

### BRING YOUR VIRTUAL REALITY WORLD TO REAL LIFE

#### MIXED REALITY CONTROLLER

FullDive's mixed reality controller allows your digital content to blend with reality as holograms.

FullDive offers software development kits for you to develop your own augmented reality apps and interact with our controller.

### DISCOVER NEW OPPORTUNITIES

#### ALL-ENCOMPASSING APP PLATFORM

FullDive provides a comprehensive platform of mobile apps, including an all-purpose video player, a browser, camera, gallery and a virtual reality app market.

The current FullDive mobile app is synergized with smartphone technology to display a much larger screen in our virtual reality glasses.

The screen is split into two images and displayed for each eye to create a cinematic 3D view, all from your smartphone.
